RESUBMISSION OF REPLY

Dear Sir,

Enclosed are true copies of a Reply to Office Action and the following associated papers that are being resubmitted in connection with the above-identified case:

1. Photocopy of return postcard and Express Mail label;
2. Transmittal Letter;
3. Petition for Extension of Time;
4. Marked-up copy of Supplemental Application Data Sheet;
5. Supplemental Application Data Sheet;
6. Supplemental Declaration; and
7. Replacement Drawings (nine sheets).

These papers were originally submitted using the U.S. Postal Service's Express Mail Service under 37 C.F.R. 1.10. On July 14, 2004, however, the Examiner contacted the undersigned and informed him that these papers appear to not have been received. As can be seen from the copy of the postcard received back from the Patent Office, however, these papers were in fact received by the Patent Office and accorded a receipt date of June 21, 2004. When told that the Reply and associate papers were timely filed, the Examiner directed the applicants

to simply resubmit the enclosed papers along with a copy of the postcard rather than filing a petition under 37 C.F.R. 1.10. Accordingly, these papers are submitted herewith.

Applicants and the undersigned thank the Examiner for his time and consideration in contacting the undersigned to alert the applicants that the Reply was not in the application file.

If any fee is due in connection with this paper, the Director is hereby authorized to charge such fee, or credit any overpayment, to Deposit Account No. 08-0219.
